Dear Sir/Madam

Re: Invitation to sponsor and participate at our Annual Golf Day Fundraiser on 23 April 2026 @ Umhlali Country Club, Ballito, KZN

Care Enough TDS is a fully registered Non-Profit Organization (NPO) which seeks to facilitate and support the education, skills development and the empowerment of the youth, since 2023. We have been approved as a Public Benefit Organization (PBO), in terms of Section 18A, we can issue receipts to our donors for donations received, which will allow the donors to make deductions from their taxable income. Care Enough is also BBBEE certified.

We provide wholistic long-term support to young people from the point of entry at high school level to the exit point upon employment. We support learners and schools through providing school essentials such as uniforms, school shoes and textbooks and our tutoring programme for Grades 11 and 12, as well as, through assistance with tertiary applications, bursaries and job placement, and mentorship, amongst other things.

To date we have recruited and supported 150 high school learners from KwaMashu and Inanda. This year we will be recruiting our Cohort 3 learners, 50 from KwaMashu, 50 from Inanda, and 50 from uMlazi townships. The demand for our services continues to grow, and as such, we need to raise more funds to expand our reach and support more young people on their journey to success.

We are excited to host our second annual Golf Day Fundraiser on 23 April 2026 at Umhlali Country Club, near to Ballito. This time we are hosting this event in partnership with the University of KwaZulu Natal (UKZN) who seeks to raise funds to assist UKZN students struggling to settle their tuition debt.
